1. On June 23, Poloff delivered reftel talking points and non-paper to Pamela Ingleton, Acting Deputy Director, International Organizations Department, Ministry of Foreign Affairs and Foreign Trade (MFAFT). Ingleton accepted the message and said that she would share the information with her department.

2. In a May 6 meeting with Angella Brown, Deputy Director, International Organizations Department, MFAFT, Brown conveyed to Poloff that her department and Foreign Minister K.D. Knight would appreciate a demarche on the USG's position on UN reform. Charge d'Affaires has requested a meeting with Knight, who is currently traveling abroad. It is likely that Brown will provide a more substantive response on this issue when she returns from vacation in July. Post will report accordingly.
